

United Service and Sales, Inc. Adds GreenWorks Electric Yard Care Products to Inventory

United Service and Sales, Inc. Announces the Addition of GreenWorks Line of Electric Yard Care Equipment to its Inventory. With Zero Carbon Emissions and an ENERGYSTAR Approval Rating, the GreenWorks Line of Products Offers Powerful, High-Quality Yard Care Equipment that Reduces Energy Usage by 35 Percent. GreenWorks Products Are Available for Purchase in the United eStore on www.plowandmowerexperts.com.

SALT LAKE CITY (March 23, 2011) – United Service and Sales, Utah’s plow and mower experts, announced today that it has added the GreenWorks line of lithium battery powered yard care tools to its inventory. The environmentally friendly GreenWorks 2in1 self propelled mower, rechargeable blower, rechargeable string trimmer, 16 inch chainsaw and 14 inch chainsaw will all be available at the United Service and Sales store located in Salt Lake City and on the United eStore on the United website.

“We are excited to offer the GreenWorks line of environmentally friendly lithium battery powered yard care products to Utah consumers,” commented Richard Cretsinger, United Service and Sales CEO. “These innovative products are light weight, easy to use and don’t require expensive gasoline, which helps our customers save money while effectively caring for their yards.”

GreenWorks products have a zero carbon footprint and their charging systems have received the Environmental Protection Agency’s ENERGY STAR® approval rating. With battery chargers that meet tight efficiency guidelines determined by the Environmental Protection Agency and the Department of Energy, GreenWorks products reduce energy usage by an average of 35 percent from conventional yard tools. The efficient and easy to use line of GreenWorks products provide all of the power needed to get the job done without polluting the air. They also save consumers money by cutting out the expense of traditional maintenance and multiple trips to the to the gas station.

United Service and Sales is adding the GreenWorks line of products to its current inventory of snow removal and landscaping equipment from top brands including The Boss Snow Plow, SCAG, Dixie Chopper Mower, Hustler Turf Equipment, Ventrac and several other well-known product lines.
