

## Our Customers are a Cut Above the Rest

Our customer appreciation day on March 25th was a great success. The event provided an excellent opportunity to thank our customers and catch up with friends over a delicious lunch provided by Siegfried's Sausages. Representatives from Walker, Plugr and Hustler joined us at our well-attended event to showcase some of their products. As a new Walker dealer, we were excited to feature the brand new line of Walker lawn mowers to all of our attendees.

Thank you to all who attended our customer appreciation day. It was a pleasure to have the chance to thank you for your loyalty to United Service and Sales. For those who were not able to attend, we hope to see you at our next customer appreciation event this fall.

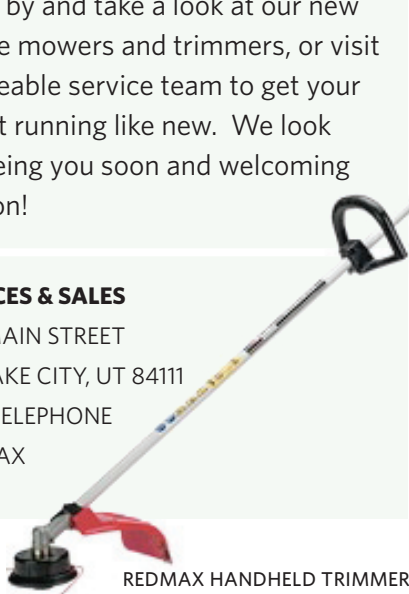

### A Message from our Owner, Richard Cretsinger

The trees are budding, the days are getting longer and temperatures are rising. Spring has finally arrived and summer will be here before we know it. The team here at United Service and Sales is happy to say goodbye to the cold days of winter and eager to help you find the tools you need to get ready for summer. Stop by and take a look at our new top-of-the-line mowers and trimmers, or visit our knowledgeable service team to get your old equipment running like new. We look forward to seeing you soon and welcoming the new season!
